MEMORANDUM FOR THE EXECUTIVE DIRECTOR:

Subject: Relationship of CIG to SSWCC

1. ICAPS is currently studying the relationship of CIG to SSWCC.
2. By CIG Directive No. 17 and Operations Memorandum No. 6, a formal liaison was established, but to date this has not developed into a reliance by SSWCC on CIG for national intelligence.
3. Carefully considered recommendations are now being formulated, but in the interim it is believed advisable that CIG supply two copies of its intelligence to SSWCC instead of one. The SSWCC Secretariat has undertaken orally to give careful handling to both copies and to advise CIG if it becomes obvious that two copies are actually not needed.
4. It is, therefore, recommended that the attached memorandum addressed to OGD be approved.
